

Worcester. Mass.
April 6. 1879.

W. L. Garrison.

My Dear Sir,

" as the
writer of the enclosed
report and knowing
your interest in matters
it traverses - I take the
liberty of sending you a
copy.

I am unknown to
you - but am known by
your friend Theo Weld.
I am now living in
Hyde Park Mass. where

he resides. I have lived
in the South ten years. I
am one of the expelled
prof of the S.C. University.

I began my anti-slavery
life - by hearing Isaac Toucy
in Hartford Conn - on the
Fug^{to} & bill. I was then
pastor of the M.E Church in
that place. You are to me
a dear brother and friend
though I have never pressed
your hand.

Truly Yrs
Wm. J. Fox.
